Response To Pre-Bid Queries (Pre-Bid date: 20.12.2022)				
Bid Number: GEM/2022/B/2856926 Dated: 14-12-2022				
Item Name: Ambulatory pH/Impedance Recorder				
Sr. No.	**Buyer Specification Document Page and Para**	**TENDER SPECIFICATION**	**REPRESENTATION RECEIVED FROM THE FIRM**	**COMMITTEE RECOMMENDATION**
1	Pg 1 Para 2	It should have wireless Bluetooth facility to monitor the study intermittently, while patient is on Catheter.	As per prebid discussion	**Deleted**
2	Pg 1 Para 6	The following Consumables to be supplied along with the equipment and rate will be fixed for 10 years.	As per prebid discussion	**Deleted**
3	Pg 1 Para 7	2 Channels pH pediatric electrodes: 3 Qty. per year in staggered manner (Total Qty. 30 for 10 years)	As per prebid discussion	**Deleted**
4	Pg 1 Para 8	1 Channel pH and 6 Channel Impedance Electrodes: 3 Qty. per year in staggered manner (Total Qty. 30 for 10 years)	As per prebid discussion	**Deleted**
5	NA	NA	As per prebid discussion	**Added Para: Following consumables to be provided along with the equipment:** **1. pH - Impedance (1 pH sensor and 6 channel Impedance sensor) along with calibrating reagents - 06 pieces**
6	NA	NA	As per prebid discussion	**Added Para:** **BOQ:** **1. Ambulatory pH/Impedance Recorder as specified - 01 No.**
