Product Specification for SARASWATI SURGIMECH Tourniquet Machine Battery back up upto 8 Hours

Specification विनिर्देश	Sub-Spec उप-विनिर्देश	Value मूल्य
Standards	Product standard certifications	CE
	Certification No and Date	89/686/CEE 21 Dec 2020
	Conformity to standard for for electrical safety latest amendment	IEC- 60601- or BIS Equivalent
	Manufacturers Quality Standards	ISO 9001 & ISO 13485
	Certification numbers and date for manufacturers quality standards	US573:1220
Performance Parameters	Purpose	Constricting or compressing device used to control venous and arterial circulation to an extremity for a period of time
	Type of Cuffs	Dual
	Type of control	Microprocessor controlled
	No of port for cuff	Single port/dual port colour coded cuffs
	Autoclavability of the cuffs	Yes
	Option for bilateral procedures provided	Yes
	Option for bier's block provided	Yes
	Ability to provide a specific Recommended Tourniquet Pressure)for each patient based on physiological characteristics	Yes
	Minimum cuff pressure in mm/hg	<= 100
	Maximum cuff pressure in hg	500
	Independent cuff measurement for dual cuff	Yes
	Cut off pressure adjust ability settings	Yes
	Internal Pump for Fast Inflation Time	Yes
	Facility to reduce cuff pressure without disconnecting cuff	Yes
	No requirement of external high pressure	Yes
	Cuff pressure not to be released on power failure	Yes
	Should use ambient air	Yes
	Maximum time setting range in minutes	240
	Parameters displayed	Actual cuff pressure and time.
	Alarms	Audio/Visual alarm
	Type of alarm	Audio and video
	Size of Cuffs supplied in inches	8,12,18,24,34
	Number of cuffs supplied for each size	1
	Power supply	200-240V AC, 50 Hz Single phase
	Display	Dual for dual cuff
	Auto Calibration every time the system is powered up	Yes
	Number of hoses supplied	2
Positive locking connectors	Yes	
Leak free inflation cuff sleeves which help reduce wrinkles pinching and shearing of soft tissues	Yes	
Wheel stand with basket	Yes	
System should sense,calculate and report the cuff pressure necessary to achieve complete blood occlusion in the operative limb	Yes	
Battery back up (hrs)	8	
Should alert the user of the cuff status when power shut down happens	Yes	
Cuff lock out safety feature	Yes	
Weight of the Machine(in kg)	6	

Miscellaneous Parameters	Warranty (Option of comprehensive warranty is available through bidding only, which if opted will supersede normal warranty in the catalogue)	5
	User/Technical/Maintenance manuals to be supplied in English in hard and soft copy	Yes
	Demonstration of equipment and training to be provided after completing supplies & Installation	Yes
	Authenticity of Manufacturer	The Principal Manufacturer must have direct Presence/approved service center In India
	Cost of Spares	List of important spare parts and accessories with their part no and the cost prevailing at time of supplies to be given to consignee/buyer
	After sales service	On site after sales services to be provided
	Certification to supply the spare parts	Certificate from the principal shall be provided to the buyer/consignee along with the equipment that spare parts will be available for next 10 years
	Copies of reports and certifications to be furnished to buyer on demand	Yes

Note | टिप्पणी: Seller has given an undertaking that it has made arrangements for getting the stores from an authorized distributor / dealer / channel partner of the OEM of the offered product. At the time of delivery of goods, Seller will provide necessary chain documents (in the form of GST Invoice) to prove that the supplied goods are genuine and are being sourced from an authorized distributor / dealer / channel partner of the OEM. In case of any complaint about genuineness of the supplied products, Seller shall be responsible for providing genuine replacement supplies.

Terms and Conditions | नियम और शर्तें

1. Special terms and conditions- Version:2 effective from 21-11-2022

- 1.1
- All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by Central Drugs Standard Control Organisation (CDSCO), Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
 - The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
 - The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any.
 - Comprehensive warranty: Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
 - Service centres: Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address, telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled. Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
 - Source of supply: It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
 - Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transhipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination.. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
 - Spare Parts: Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available. OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.
 - Installation, Training, Manuals: Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
 - Electrical safety checking: Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
 - Software: All software updates should be provided free of cost during warranty period.
 - Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are

in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.

2. General Terms and Conditions-

2.1 This contract is governed by the [General Terms and Conditions](#), conditions stipulated to this Product/Service as provided in the Marketplace.

2.2 This Contract between the Seller and the Buyer, is for the supply of the Goods and/ or Services, detailed in the schedule above, in accordance with the General Terms and Conditions (GTC) unless otherwise superseded by Goods / Services specific Special Terms and Conditions (STC) and/ or BID/Reverse Auction Additional Terms and Conditions (ATC), as applicable
